

The VTT PAC is thrilled to announce the launch of our

♥ **PAC CARES CHESED COMMITTEE** ♥

Our aim is to make families who are experiencing a life event such as the birth of a child, a serious illness or a loss feel supported by our school community.

Our first initiative is our Shabbat Bags. Several families have already experienced the warm embrace of our first PAC CARES initiative and the response has been overwhelmingly positive. We hope that this initiative is just the beginning of what the PAC CARES Chesed Committee will bring to the PAC.

How it works:

- If you or anyone from the VTT community know of a family who may benefit from this initiative please connect with us, in confidence, so that we can organize a Shabbat bag delivery. If complete anonymity is of concern, please feel free to contact **Jessica Neville** or **Jennifer Shecter** who will assist in confidential delivery of the bag.
- Please email information to pacvttcares@gmail.com (this account is managed solely by the Chesed Committee)
- The committee will arrange for delivery of the Shabbat Bag on the nearest Shabbat.

We look forward to working together to nurture and develop chesed and warmth within our VTT community.

Please feel free to write to the Chesed committee with any feedback.

With thanks and gratitude,
Gretchen DeMoulin, Kim Garaway
and Mandy Huberman
