VTT, a community Jewish day school serving a student body from ages 3 to 13, is currently recruiting a **Library Technician (.6 part-time)** for 2019-20.

See next page for more details

At Vancouver Talmud Torah, we provide a stimulating and challenging educational environment infused with meaningful learning experiences. Our school serves families from a diverse range of Jewish backgrounds and religious practices. We are Western Canada's largest Jewish community day school and have 100 years of experience!

We are currently seeking a **part-time Library Technician** for the 2019-20 school year (12:00-4:30 p.m. daily). VTT's learning commons is a physical and virtual space where educators, teachers and students collaborate to achieve learning goals. **The learning commons serves as the heart and hub of our school.**

The successful candidate will play a role in creating a space that is vibrant, welcoming and conducive to authentic inquiry and collaborative learning. The Library Technician will assist in developing, organizing and maintaining a collection of library material by using a specialized knowledge of library systems and methods. The Library Technician will also work with and maintain our systems, resources and equipment.

This is a position which involves interacting with and supporting students aged 3-13. It also requires monitoring and supervising students and classes during the second half of lunch, instructional time and after school (until 4:30 p.m.). This is a wonderfully engaging and stimulating position for the right candidate. Must love kids, being part of a community, teachers and parents. We value initiative, creativity and collaboration. **New ideas are always encouraged.**

Our faculty are an integral part of our school community. Vancouver Talmud Torah provides the opportunity to work in a collaborative, innovative and engaging educational setting. We are committed to on-going professional development and mentorship. Our school offers a culture that values academic excellence, community, inclusivity and social responsibility.

Technical Qualifications:

- Library Technician Diploma
- Experience working with library systems
