Coaches Needed!

You're invited to apply for an opportunity to coach Team Canada at the 19th Maccabiah Games, July 2013.

The Maccabiah Games, a prominent international sports competition held every four years in Israel, is one of the top three gatherings of athletes in the world.

Our main goal is to assemble top level athletic talent and combine athletic competition and sport with bringing young Canadian Jews to Israel to compete in the Games.

Coaches do not have to adhere to the Jewish faith.
Registration closes December 15, 2011
