Angel Acosta, a graduate of Victoria Film School, is a writer-director whose short films have garnered many awards at film festivals and have premiered on national Canadian television. Angel also has a dedication and passion working with youths. Angel has worked at the Vancouver JCC as part of their after-school care team and at ID Tech in Northern California as a Videogame Design and Digital Video Filmmaking Instructor. When not filming his own short films, Angel has worked on productions for Canadian Idol, The Juno Awards, Electronic Arts, and at the Canadian Country Music Awards.
