# Hatikvah Family Camp

New!

Friday August 17<sup>th</sup> – Monday August 20<sup>th</sup> 2012

What would you give to re-live your camp days? Ever wish you could go back and enjoy the freedoms and fun of being a camper? Well now you can! Camp Hatikvah is thrilled to announce the establishment of its first FAMILY CAMP.

Designed for families with children of all ages, our family camp is an opportunity for adults and children to explore and embrace all that Camp Hatikvah has to offer. During this weekend, families can sit back and enjoy our fabulous facilities and enriching programming.

## The Program

The schedule for Family Camp has been designed to allow for maximum exposure to our impressive facilities and dynamic programming. You and your family will have the opportunity to try things like canoeing, kayaking, paddle boating, sailing, swimming, wakeboarding and waterskiing down at our waterfront. You will also have a chance to enjoy an amazing array of land activities including baking, ceramics, finger painting, gaga, hockey, jewellery making, soccer, volleyball and more!

All families have different needs and, with that in mind, we have designed a schedule that will provide ample time for activities to be enjoyed by our group as a whole and for activities that are of specific interest to our individual participants. In late spring all families enrolled at family camp will receive a form to pre-select the activities they would like to do during family camp. We will then use your selections to create a personalized schedule for each member of your family.

The beauty of your weekend at camp is that everything is planned for you and everything is INCLUDED! You can choose to take full advantage of our programming or just choose to spend time relaxing with new and old friends.

## Meals

All meals and snacks are included in our exceptional rates. Each morning a continental breakfast will be available for a two hour period. This will allow families to wake up at their leisure. Lunch and dinner will be enjoyed together as a group

## Supervision

The goal of the Family Camp is to give families a chance to enjoy time together at our fantastic camp. Many of our activities will be enjoyed most when shared between parents and children. However, in recognition that family members may, at times, have different interests, we will offer childcare under the following guidelines:

**Children ages 3 and older** can participate in all land-based activities without parental supervision. They must be accompanied by a parent at all water-based activities.

**Children ages 2 and under** must be accompanied by a parent at all activities

Between 10pm and midnight, staff will be assigned to sit in the middle of the housing accommodation sites to supervise the children. Parents are free to leave their children at this time and enjoy some adult-only social time.

## Accommodations

All of the cabins at Camp Hatikvah have either been re-built or renovated in the past decade. Though still rustic when it comes to amenities (i.e. bathroom and shower facilities are in a separate building for most cabins), they are well built, clean and comfortable.

Participants will have their choice of sharing a cabin with another family of their choice or having their own private cabin. Accommodation requests will be assigned on a first come, first served basis.

## Rates

Rates Include accommodations, 8 meals plus snacks, and all activities.

**Early Bird Rate:** Register before November 30<sup>th</sup> 2011 is **\$600** (plus HST) per family.
