

IMMUNIZATION INFORMATION

Dear Parent/Guardian;

VCH must have a record of each child's immunization history. If one of the diseases listed below occurs in your school/childcare facility and immunizations are not complete, the Medical Health Officer may require your child to stay at home. Please complete and return this form to the school/childcare facility.

Return of completed form is my consent for my child's immunization history to be entered into a Vancouver Coastal Health (VCH) confidential electronic database. If you do not wish to have this information recorded in an electronic database, please inform us in writing.
