

# Mixed Media with artist Jazmin Saska

Vancouver Talmud Torah, After School Art Classes

The After School Art Program at VTT, run by artist Jazmin Saska, is a program where students get exposed to a variety of interesting materials and creative opportunities. In this magical space, children will develop their own artistic path while being in a familiar place and surrounded by friends. The vision of the program is to enjoy, to cultivate and inspire the love of art making and to raise future Jewish artists.

In the winter term, students will start working on new art projects that will be showcased at an art exhibition, scheduled for May 28<sup>th</sup>, 2018 at the JCC Art Gallery. The theme of the art exhibition is "My Family". Students will create art projects using mixed media & painting and will explore the concept of family, family portraits, family traditions and memories, and more.

In order to participate in the art exhibition, students should be enrolled in term 2 and term 3. They need enough classes to create the art work. On term 3, there will be an extra fee to cover the cost of the exhibition (rental, brochure, food).
