

## SEEKING A SABBATICAL HOME:

Two professors from McMaster University with two daughters (ages 11 and 14), are looking to rent a 2-4 bedroom fully furnished home for their sabbatical at UBC (2014-2015).

Preference is for a home on the Westside, not too far from UBC, starting **August 15th, 2014**, for one year (but dates are somewhat flexible).
