

# Mixed Media with artist Jazmin Sasky

Vancouver Talmud Torah, After School Art Classes

The After School Art Program at VTT, run by artist Jazmin Sasky, offers a space where children feel happy and creative. Inspired by the Reggio Emilia approach to learning, students get exposed to a variety of interesting materials and opportunities while creating their own projects guided by their own interests. In this magical space, children will develop their own artistic path while being in a familiar place and surrounded by friends. The vision of the program is to enjoy, to cultivate and inspire the love of art making and to raise future Jewish artists.
