Crushed by lower incomes and rising costs for child care, taxes and saving for retirement, Israel and Vancouver's middle classes are facing bleak housing options, impacting every aspect of their lives.

Join housing experts **Gil Gan-Mor** of the Association for Civil Rights in Israel, **Dr. Penny Gurstein** of the University of British Columbia and **Dr. Paul Kershaw**, Founder of Generation Squeeze, as they highlight the root causes of Israel and Canada's difficulties in rethinking affordable housing for the middle class.
