Can You Imagine...

NO SHOES = NO SCHOOL!

This is not a bad dream, it's worse...
this is reality.

In the Dominican Republic and Haiti, kids
cannot attend school without shoes.

BUT YOU CAN HELP!!!

SHOE US WHAT YOU GOT!

Bring gently used shoes you
no longer need to be donated
to the kids in Haiti so all can
have a fair chance to receive an education and
be able to look forward to a brighter future.

SHOE US WHAT YOU GOT!

On January 26th to 30th...

- 1. Bring in shoes!**
- 2. Place in a plastic bag (so shoes do not get mixed up with other shoes).**
- 3. Drop off in one of the boxes in at the school's entrance.**

Who is going to ship the shoes?

Rubin Shoes. Rubin shoes is a company that ships shoes to Haiti and the Dominican Republic so that kids can go to school. But they don't have any shoes to ship so they ask people to give them shoes. **This is why we want shoes.** Our goal is to collect 1,000 pairs of shoes. We know we can do it with your help.
