

Vancouver Talmud Torah has never been stronger. We deliver exceptional programs that meet the needs of our diverse community of learners. We consistently rank among the best elementary schools in the province, despite not screening on the basis of academic or financial ability. We have invested in technology and others tools to support 21st century learning. We have built our school from the inside out and are in the midst of the VTT Campus Campaign - a once-in-a-generation initiative to expand and revitalize the school from the outside in.

We would not have achieved this success without you.

Each year, VTT has many needs to be met that are above and beyond the revenue generated from tuition fees and Ministry funding. Fortunately, we have committed, passionate and dedicated supporters who give generously to a number of funds. These donations help support financial assistance programs, the purchase of new technology and equipment, investments in educational innovation and best practice, professional development for our faculty, infrastructure upgrades and much, much more.

On behalf of the Board, Leadership team, faculty, students and staff, thank you for your ongoing support and for making VTT a priority when it comes to your giving.

This report highlights those individuals who made gifts to VTT between December 2011 and September 2012. Please note that we will be moving to a new format of recognizing VTT's important supporters. Starting this month, we will be moving to a monthly column in the *Hadashot*. Please stay tuned.

Below are the contributions made from December 16, 2011- September 30, 2012

## Building Fund

*Legacy gift from VTT's 2012
