YOUNG MINDS

- Small Class Sizes
- Dedicated Teacher Support
- Accelerated Programs
- Fine Arts and Applied Skills Electives
- Competitive Athletics

"The school is filled with wonderful people and great teachers"

--Talia Glassman, Grade. 10

Do I have to be religious and speak Hebrew to attend King David?

No, KDHS is a pluralistic school that welcomes all Jewish youth. We offer an environment where young people can develop an appreciation for and connection to Judaism in a way that is meaningful to them. Students without any Hebrew language background can come to King David.

BRIGHT FUTURE

- Developing Community Leaders
- Creating a Deep Connection to the Jewish People
- Ensuring Enduring Traditions
- Succeeding at University

"KDHS is truly a great place. Super teachers, wonderful education, great sports and a safe, accepting, happy social life! I am thrilled with the academics, impressed with the staff and would not choose any other high school!"

--Jeff and Shelly Polo, KDHS parents

What is the Accelerated Math and Science Honours Program?

KDHS offers an Accelerated Math and Science Honours program for students entering in Grade 8. In this program, students finish Math and Science 8-10 in two years to allow more time to complete the variety of senior Math and Science courses.

- Celebrations
- Tikkun Olam
- Ties to Israel
- Social Responsibility

"Tikkun Olam, and programs like Mitzvah Day and Israel Awareness made me realize the value and benefit of being socially responsible"

--Tamar Katz, Alumnus 2003

JEWISH VALUES

Will there be opportunities for me to pursue my interests? What can I do at King David?

At KDHS, our sports teams compete in volleyball, basketball, floor hockey, soccer, ultimate frisbee, track and field, and softball for both boys and girls. There are a number of clubs and leadership opportunities including Student Council, the Mitzvah Day Committee, the Green Club, and more. If there isn't an established club, we want students to start one!
